

PRESIDENT'S PEN

Under President's Pen.

My dear HL'ites,

Please accept greetings from me. I hope you had a nice relaxing vacation and we must now be ready for the activities and programs of our association.

After the last communication, we had a Yogashibir which was of a great help to rejuvenate ourselves from our hectic lifestyle. We also actively participated in the budget meeting on Finance Bill 2008 addressed by Shri Ravindra Dholakia and Shri V.K.Sharma. Recently, we had a very successful study circle meeting addressed by Prof. H.R.Bharucha, our vice-president and Ms. Anushree Kapadia, our very active member.

Ms.Anushree on account of pre-occupation is not able to continue as an editor and I am very happy to inform that she has nominated Mr. Hardik.Gupta for the same. I am thankful to Ms. Anushree for her valued efforts and Mr. Hardik for taking up the responsibility as an editor.

Once again I appeal to all the members to actively participate in the programs of our association.

Wish you all the best.

K.D.Shah
President
